CALEB BRUEMMER, Chief Clerk

AN ACT

To Create a Campus Wide High Speed WIFI

Be it enacted by the General Assembly of Missouri Boys State, as follows:

Section 1. Wifi would be easily accessible for all citizens of MBS. The wifi would last for the week long term at MBS with an easy to use access password for all members of MBS to have fast and efficient internet.

Section 2. Login passwords and usernames will be siren out on the first day of MBS before the citizens have to use their own data. The wifi would last until the final day of MBS and end as soon as checkout had ended. The wifi would require a one time login and username that would not require multiple times to log into.

Section 3. The wifi would last throughout the day allowing access to the internet for research purposes at MBS. Counselors would be able to monitor the activity and websites used throughout the week.
