AN ACT

TO AMEND SENATE RULES ON NAMEPLATES

Be it enacted by the General Assembly of Missouri Boys State, as follows:

Section 1. Whereas Senators are addressed by county in all formal procedures.

Whereas the font of the text denoting the county is difficult to read to its size.

Whereas the last name of the Senator is written in a larger font than that of the county.

Whereas enlarging the font of the county of the Senator and/or reducing the size of font of the Senator's last name would ensure ease in addressing Senators.

Therefore, the counseling staff of the legislative school is instructed to ensure that the county is shown in a font which is larger than that of the fonts of the Senator's last name.
