## AN ACT

To Create Separate GSO Stores in Each Dormitory Wing and Alter the Application Process for the GSO.

---

*Be it enacted by the General Assembly of Missouri Boys State, as follows:*

Section 1: This bill shall be referred to as the “Boys State Economic Stabilization and Monopoly Prevention Act.”

Section 2: Each wing of the dormitory facilities (North, South, East Ellis, and Hudson) shall receive their own GSO store. The cities of each wing shall compete for the GSO for their respective wing of the dormitory facilities.

Section 3: The application process necessary to receive the GSO store shall be altered to an initial essay application for each city. Upon review of the applications by the city counselors of each wing, the competition shall be narrowed down to two cities per wing. Each of these cities shall then create a presentation in order to delineate the reasons for which their city shall receive the GSO store for their wing. This presentation shall be given to the counselors of a city’s respective wing. The counselors shall, following the presentations, select which city shall receive the GSO store for their respective wing.
