AN ACT

To establish a MBS Store Outlet for the UCC dorm Building

Be it enacted by the General Assembly of Missouri Boys State, as follows:

Section 1. A MBS Store Outlet will be set up in the lobby of the UCC dorm Building. The Outlet will be a scaled down version and smaller sister store. It will sell considerably less items such as candy bars, office/school supplies, and basic toiletry items or other items determined by the MBS store. The purpose is to increase profits for the MBS Store overall by allowing easier access for Benton county residents, which in turn will generate more revenue for the MBS Store overall. This will also make the MBS Store less congested and make it accessible for the residents of the Ellis Building, which will give more chances for all the citizens of MBS to enjoy the products of the MBS Store. The hours and other logistics will be determined by the MBS Store staff. This will take effect in the 2017 session of MBS and may be discontinued in years after.
