## AN ACT

TO INSTITUTE AN HOUR OF FREE TIME TO ALL CITIZENS

---

*Section A. Be it enacted by the General Assembly of Missouri Boys State, as follows:*

Section 1. Here at MBS we have chalked full schedules forced upon us with hardly any free time. I believe that all citizens would greatly benefit from more free time to greater get accompanied with their peers in their cities, counties, and state.

Section 2. If we add just one hour of designated free time to each day here at MBS I think that our relationships, businesses, and experiences would all greatly benefit from this.

*Section B. This bill shall take full force and effect upon the signing of the Governor of Missouri Boys State*
