Be it enacted by the General Assembly of Missouri Boys State, as follows:

Section 1. All citizens shall be provided with, upon arrival, soap, either in their community bathrooms, town meeting area, and/or elsewhere within their city limits.

Section 2. Handsoap, or some form of hand sanitizing product, shall be affordable, therefore it will be up to the Missouri Boys State Program to decide upon which product will be most cost effective while still serving its purpose as an effective cleaning product.

Section 3. The Missouri Boys State Program shall supply non allergenic products to pertain to all MBS citizens in an effort to raise the general level of public health and safety.
