AN ACT

To institute a office relating to patents

Be it enacted by the General Assembly of Missouri Boys State, as follows:

Section 1. Missouri Boys State shall implement and maintain a patent office whose purpose is to protect the intellectual and physical properties of Missouri Boys State business proprietors.

Section 2. The Missouri Boys State patent office shall consist three governmental employees. One patent commissioner who will manage and direct the two patent clerks. He will also report any cases of patent infringement that are brought to him by citizens. The patent clerks will file patents and provide information on previously filed patents to anyone who requests such information.

Section 3. All alligattions of patent infringement must be brought to the patent commissioner before being tried in a court of law.

Section 4. Once the county commissioner has been made aware of possible patent infringement, the citizen of proprietor that made the alligattion may bring the alleged infringer to whatever court he sees fit.

Section 5. If the alleged infringer is found guilty of infringing upon a previously held patent he will lose his business license and pay a fine to the proprietor that was negativly affected. This fine is to be set by the court.

Section 6. The term for each Missouri Boys State patent is one Missouri Boys State session.
